'BUSINESS WATCH' PROGRAM

Greater Ossipee Area Chamber of Commerce is pleased to announce a new program BUSINESS WATCH, our version of Neighborhood Watch... A collaboration of our local businesses to maintain a safe and crime-free atmosphere and give us the tools to stay ahead of the curve. "Over the recent years the development in technology has influenced how the Chamber must adapt and update its methods of conducting business" said Marletta Maduskuie, Executive Director, "Here is an opportunity to do just that".

These programs have covered topics such as Local Criminal Activity and How You Can Protect Yourself, presented by

What new rules and regulations can affect you, ways to save energy and money, power of email marketing, identifying counterfeit money, Cloud Computing.. using the internet to promote your business..

Today, communication, customer service and networking are critical in doing business.
