### "Ossipee Valley News"

Hi folks!

The holidays are just around the corner, so I will wish you all well ahead of time. As I suspect, you are all quite busy, but I just want to quickly remind you of a few things, including the upcoming second annual SnoCross event that will be held once again at Mt. Whittier. Snow will fly once again on the great historic mountain of Mount Whittier - there may not be skiers, but there will be snowmobilers!

Let me know if you are interested in sponsoring the event. Contact Kathryn Amaral at [samanthasinn@roadrunner.com](mailto:samanthasinn@roadrunner.com) if you are interested in selling something that weekend (Feb. 23 and 24, 2008). It will be a spectacular event once again, and we will need all the help we can get to make it happen. Contact me at the office (539-6201) or email me if you are interested in volunteering! We will need help with anything from putting up signage to parking to distributing program booklets. Tickets will only be available at the door...

### The News

Some of you may have noticed that the last newsletter made it into the Carroll County Independent. This was a mistake on their part as they are between editors. Editor Terry Leavitt recently left the paper, and new editor Larissa Mulkern will be moving over from the Granite State News to the Independent. They are going through a transition period that we all know can be rough sometimes. Please try to understand their situation.

In the future, I would like to have a weekly column that **does** go in the paper, highlighting individual chamber members or talking about economic issues the area is experiencing, another benefit of being part of the chamber. Please let me know if you have any ideas or would like to help me write them!

### Holiday Pies

Jen Buzzell, at Grammy Gordon's in Tamworth, is gearing up for the holidays and has sent me a complete listing of all the pies she bakes for the holidays. See the attached document for her entire list. There are some pretty tasty pies on that list that she is willing to bake and make available until the day before Thanksgiving. Don't forget about Christmas and book early for that special holiday experience! Jen can be reached at 323-2005 or through email at [info@dreamworks-antiques.com](mailto:info@dreamworks-antiques.com).

### Holiday shopping

Just a reminder that Yankee Furniture Barn has got some great deals at the store on Route 16 across the street from Northern Tire and next to Ossipee Insurance and Maxfield Real Estate office in Ossipee! So, you may not want to buy someone a kitchen work station but you may need one for yourself to get ready for all the holiday cooking. You may not want to buy a couch for someone for Christmas, but you may need one for yourself! Stop by, say hi to John Cameron, and check out what he has to offer, including some nice smaller items that would be great as holiday gifts!

### Advertising special with Dog InSight

Mike Wiggin of Dog InSight newspaper is extending some advertising specials to chamber members. The deadline to receive these specials for 2008 is **Dec. 10, 2007**. Right now, there is a readership of more than 40,000 people, and it continues to grow. The heaviest distributed area in all of New England is the Ossipee area!

Mike said these prices are the best he has ever offered. He usually bases the specials off the monthly price, but this special to chamber members is off the SIX MONTH price and offers a business card ad that he does not offer to anyone anymore. To find out more, look at the attached document or contact him directly at [editor@doginsight.com](mailto:editor@doginsight.com) or 539-3989.

## **Ossipee Main Street update**

Monday, December 10th, 5:00 p.m., the final design plan from the PlanNH Charrette will be presented. Location Ossipee Town Hall. All are invited.

## **Nashville in the Mountains**

Cheryl Hart-Hayford of Double-H Farm said the last Nashville In The Mountains show was once again a sellout!! By popular demand they are planning another for Valentine's Day (2/16). This means they are once again looking for show sponsors. If anyone is interested, please contact her at 539-5547 or by email at [double-h-farm@earthlink.net](mailto:double-h-farm@earthlink.net). Basically, a \$500 sponsor will receive approximately \$2,500 worth of advertising, including radio. They will also be accepting \$250 donors, and they are rewarded accordingly.

She also wanted to thank all of the previous sponsors for previous Nashville in the Mountain events - GOACC, Laconia Savings Bank, Indian Mound Hardware, Valuland Food Store, Nutrena Animal Nutrition and especially The Brass Heart Inn. Also a big THANK YOU to all the chamber members that attended.

Happy holidays to everyone! Keep in touch!
