Subject: Newsletter: updates, a play about the Aztecs, after hours, Remick Museum

"Ossipee Valley News"

Just a few quick reminders from the director: tourist season is right around the corner. Make sure to get your brochures to the information booth (as soon as we clean it up in May), and if you'd like to help us get that space ready (because you have a major case of spring fever), call me at the office at 539-6201. The board is in the process of reviewing the chamber's by-laws. If you'd like a copy of the current ones, please email me, and I can send you either an electronic copy or a paper copy. The membership (You!) will get to vote on the changes at the annual dinner, which will be in October. There are a few committees that are looking for some volunteers, including the golf committee, the marketing committee, and the membership committee. And, there's a lot to do here in the office, including putting together driving tours of the area, getting area information for the chamber guidebook, and checking on the existing information, all easy things to do from the comfort of your own home, if you've got the spare time and a good set of eyes. Please let me know. AND PLEASE DON'T FORGET ABOUT GUIDEBOOK ADS, if you haven't already taken care of that! And now for the rest of the story...

A play tonight

The students of Tamworth Learning Circles and The Community School are putting on a play tonight (short notice, sorry) at 7 p.m. at the Barnstormers Theatre highlighting Aztec culture and history! It should be pretty interesting, so if you feel like getting out (short notice, sorry), stop by the theatre for this once-in-a-lifetime performance by some great area students! And dinner's available at the Other Store in Tamworth Village beforehand!

After Hours

The next business after hours event is Tuesday, April 8 at the NEW Tamworth Family Medicine building in Chocorua, starting at 5 p.m. This is a great chance to get to know your fellow chamber members, check out your local doctors, and have some great free food! There will also be some nice raffle prizes that you can qualify for by giving us your business card. Bring those cards and get your name out there! For more information, call Gene at 569-8485 or the Tamworth office at 323-3311.

News from the Remick

Come to the Remick Museum for a Sourdough Making Workshop on Saturday, April 5, 2008, from 10am- 12 noon. Learn all the particulars of making sourdough, which includes making your own starter. Try a few different recipes to see how sourdough works.

The workshop fee is \$20.00, and pre-registration is required. Materials are included in the fee. The Workshop is designed for adults; young people age 16 and older are welcome with an accompanying adult.

The Remick Country Doctor Museum & farm is located at 58 Cleveland Hill Road, Tamworth. For more information, or to register, call (603) 323-7591 or (800) 686-6117, or visit the website at www.remickmuseum.org.

The Remick Museum Sugar House will be boiling throughout this week. Call the museum for boiling times, and see the maple sugaring process for yourself! The buds are showing on the trees; it won't be long till the maple sugar season ends!

Ossipee Historical Society news

The Ossipee Historical Society has put together a great season of programming for this upcoming summer, starting on April 15. Check out next week's newsletter for more information.

Happy Spring!

Lori Lenart
